Cast & Blast

How about some excellent trout fishing on the White River which is one of Americas most sought after fishing destinations and taking a little time to shoot some Quail, Pheasant and Chukar. I have a working relationship with the owner, Jerry Blankenship of [Feathers & Gunpowder](#) hunting lodge in Newburg, Arkansas.

Jerry has a "set bird" operation only 30 miles from our lodge that offers guides, dogs, cleaning, packaging for your hunt. Various packages available to choose from. Morning and afternoon hunts available. Open October 1st through March. Plan a day or two of fishing along with a field hunt at Feathers & Gunpowder! It is a great combination and a venue for all ages!!

There is not anything we can't do here at Linger's Guide Service! Just give me a shout and we can set up a trip that will leave lasting memories for you and your group!

Regular fishing rates apply and many options exist on the hunting portion of this plan. Generally, about \$150 per hunter for a 3 hour hunt. For rates today, see our website.
